

Get your Money...Now

The Virtual Banks may offer comparable rates (or slightly better) but it can take days to transfer and withdraw your own money. **Imagine needing something and not be able to get it...neither can we.**

HMECU understands that it's your money and that you worked hard to earn it.

With online, telephone and teller access to your Investor Savings Account we make it easy to access your money

...don't let us slow you down.

So GOOD, we'll PROVE it!

Other Financial Institutions either don't provide printed statements (or they charge extra for the service).

HMECU is so confident that this account is one of the most competitive on the market that **we'll prove it with semi-annual account summaries...sent directly to your home, no charge!**

HMECU understands that it is your money and that you worked hard to earn it.

Check your account info any time online, on the phone, at any branch or wait patiently by your mail box.

GREAT RATE!

NO STRINGS

Other Financial Institutions offer tiered interest rate savings accounts. But, to earn their highest rates you need to have a major minimum balance...got an extra \$60,000 lying around in order to get their best rate?

HMECU understands that it is your money and that you worked hard to earn it.

Earn our best savings account rate on a minimum balance of only \$2500.

FREE Withdrawals

Other Financial Institutions may offer comparable rates but they charge you (in some cases as much as \$5) to withdraw your own money. Hard to believe...but true, a service charge to get at your own money!

HMECU understands that it is your money and that you worked hard to earn it.

The Investor Savings Account has **no monthly service charges, free deposits, free withdrawals and free transfers.**

Smiles, also free!
