

Canada Post Strike – Possible Mail Disruption

October 24, 2018

Please be advised that there may be a mail delivery disruption for your statements due to rotating strikes at Canada Post.

In order to ensure you receive your statements, we encourage you to enroll in online banking if you have not already done so to ensure you receive your statements in a timely manner. Online banking can be set up any time by visiting your branch and you will be able to view your account history, perform transactions such as Interac eTransfers®, bill payments, deposit cheques, and view your statements in a secure and convenient way. Ask one of our staff to show you how! Also, HMECU's mobile app, with even more features, is available in the [Apple App Store®](#) and [Google Play™](#) store for your mobile phone or tablet.

If you would like to receive a printed statement, please don't hesitate to visit your branch.

For questions or to sign up for online banking access, visit your branch or contact us at 905-575-8888 for more information.
