

TOY DRIVE

Help give thousands of local children The Gift of Christmas

Each year Hamilton Paramedics challenge residents of the City to fill an ambulance with toys at Christmastime. The Toy Drive is in support of CityKidz Gift of Christmas. Hundreds of children go without toys on Christmas morning each year because their families have to make a choice between food and shelter. There simply isn't anything left for the children to experience a Christmas they deserve. Hamilton Paramedics want to help CityKidz make a difference, and they need your help. Santa's sleigh isn't only pulled by reindeer, it has lights and sirens for emergencies like this.

Please bring new, unwrapped toys for children up to 12 years of age to an HMECU branch listed on the Wish List, below. If you are not able to stop by a branch, visit Wal-Mart at 510 Centennial Parkway North on Saturday, December 8th, where we will be collecting donations.

View the page below for the Wish List! Anything you can provide is more than generous and will be greatly appreciated for years to come!

city kidz **Wish List**
