

HMECU's Burlington City Hall Office Makeover

This January, HMECU's Burlington City Hall office received a long overdue makeover to serve you better!

We removed the old furniture, replaced the well-worn carpet and applied some fresh paint on the walls to brighten up the office. We hope our current and future members will enjoy this "new" awesome space to achieve their financial goals!

Drop into the Burlington City Hall office to see the transformation, open on Tuesdays and Fridays 10:30am to 2:30pm. We look forward to seeing you!
