

HMECU Raises Money for Crime Stoppers

During the month of November, HMECU held two raffles in support of Crime Stoppers and Crime Prevention Month.

HMECU members bought tickets to enter a draw for a chance to win an iPad Mini. The purchase of a ticket also gave members a spin on our prize wheel for a chance to win more tickets for the iPad Mini draw or fabulous HMECU prizes! Members also bought penny raffle tickets to put in a draw for some great household items. Together, these initiatives raised a total of \$1,500!

On December 9th, HMECU presented the cheque to Crime Stoppers. This would not have been possible without the outstanding support of HMECU members. Thank you!

Crime Stoppers is run by a volunteer community board, working in partnership with law enforcement agencies, media and the community to prevent, solve and help stop crime.
