

Your New Juravinski Hospital Branch is Now Open

HMECU is excited to announce we have officially opened the doors to **your** new Credit Union branch at the Juravinski Hospital!

Healthcare and Municipal Employees' Credit Union (HMECU) is a full service financial institution serving the Hamilton, Burlington, and Brantford communities for over 82 years. Our membership is primarily comprised of healthcare and municipal employees and their families.

At HMECU, we know that your personal health and wellness are important to you, but what about your financial wellness? That's where we come in. Let our knowledgeable staff take the stress out of banking and help you achieve your financial goals. We offer competitive interest rates, a wide variety of products and services, and free financial planning by our investment team who are experts in your HOOPP pension plan.

At our new office, you will receive the same quality service you receive at our full service branches with the convenience of dropping in anytime during your work day. Open an account, get a debit card, set up a payroll deduction, apply for a loan, mortgage, MasterCard or line of credit, or open an RRSP or TFSA – yes, you can do all of that at the Juravinski branch!

There are also two HMECU ATMs located at this site – one in the Juravinski Hospital main lobby, the other in the Juravinski Cancer Centre. The branch is located near the Atrium Café.
