

## **Mike Kay and Ross Holland Boardroom**

It is with great pleasure that HMECU announces that the Limeridge boardroom has been renamed the "Mike Kay and Ross Holland Boardroom".

Mike Kay has recently retired from the Board of Directors and was instrumental in the success of HMECU. He served tirelessly on the Board for a total of 36 years, and served as Board Chair for 23 of those years. Mike sat on all Board committees including Executive, Audit, Strategic Planning, Building and Nominating. In those 36 years, Mike was always committed to keeping members' best interests a priority, and to HMECU's growth. He served with integrity, fairness, and an amazing sense of humour.

In addition, Ross Holland has served on the Board of Directors for 30 years to date with equally impressive contributions to HMECU's success. Ross has participated on all Board committees and has been Secretary of the Board for 24 years. He served alongside Mike with the same commitment to members' and the advancement of the Credit Union and co-operative values. Ross continues to be devoted to making HMECU the best place to bank.

HMECU sincerely thanks both Mike and Ross for their unwavering dedication and continued commitment to the Credit Union. A plaque honouring Mike and Ross can be found in the hallway of the Limeridge branch office. The next time you are in the branch, please have a look and if you see Mike or Ross, shake their hand and thank them for their years of service!
