

We're Still Here for You, Just in a New Way!

Changes to Our Hospital Satellite Branches

We're always looking for better ways to support you, and that means evolving how we deliver your financial services.

Starting **September 12, 2025**, we'll be closing our HMECU satellite branches inside:

- St. Joseph's Healthcare Hamilton
- Hamilton General Hospital
- Juravinski Hospital

But this isn't goodbye, we're still a proud part of your hospital community! From onboarding new staff to sponsoring your community events, you'll still see us around.

The only thing changing is the physical banking space. Everything else? Still here, just easier than ever.

Here's what you can count on:
